

Eshan Kumar Jain

Business Data Analyst

Bengaluru / Mumbai / Gurugram, India • +91 9307959676 • eshanjain552@gmail.com • linkedin.com/in/eshan-kumar-jain-a140921b6 • github.com/Coolboy-786

SUMMARY

Business Data Analyst with 2+ years of experience at HDFC Bank leveraging SQL, Power BI, and PostgreSQL to deliver KPI dashboards, data pipelines, and actionable insights for high-volume banking operations. Reduced operational turnaround time by 25%, cut manual reporting effort by 40%, and improved data accuracy by 30%. Proficient in Python, machine learning (classification, regression, clustering, CNNs), EDA, statistical modelling, A/B testing, and feature engineering. Currently pursuing MSc in Data Science and Analytics at Maynooth University.

EXPERIENCE

HDFC Bank Ltd

Mumbai, India

Business Data Analyst

Jul 2023 - Jul 2025

- Developed Power BI dashboards to track throughput, SLA adherence, and error rates for API Integration and Customised Statements initiatives processing EUR 1.5M+ in daily transaction volume, enabling senior management to reduce decision turnaround by 20%.
- Wrote complex SQL queries (CTEs, window functions, subqueries) and designed PostgreSQL data pipelines for UAT execution across 5+ major product releases, reducing data reconciliation errors by 30% and improving release quality.
- Analyzed operational datasets using SQL-based cohort analysis and trend modelling to identify process bottlenecks, resulting in a 25% reduction in average turnaround time across 50+ stakeholders.
- Partnered with 5+ developers and architects to translate business requirements into data specifications within Agile, JIRA, and ServiceNow workflows, improving sprint delivery accuracy across multiple release cycles.
- Led all EPFO development projects end-to-end, achieving 100% regulatory compliance across data handling, audit trails, and reporting pipelines.

EDUCATION

Maynooth University

Maynooth, Ireland

MSc in Data Science and Analytics

Sep 2025 - Sep 2026

Relevant Coursework: Machine Learning, Statistical Modelling, Data Visualisation, Big Data Analytics, Natural Language Processing

NIT Nagpur

Nagpur, India

B.Tech in Computer Science and Engineering | CGPA: 7.54/10

Jul 2019 - Jun 2023

JEE Main 2019: 99.57th Percentile, Top 0.43% of 900,000 candidates | JEE Advanced AIR 6253

PROJECTS

Multi-Class Skin Disease Classification | Python, TensorFlow, CNN, MobileNetV2, Scikit-learn

- Built 3-stage ML pipeline (semantic segmentation, CNN feature extraction, ensemble evaluation) to classify 23 skin conditions; achieved 93.2% accuracy via transfer learning, hyperparameter tuning, and stratified k-fold cross-validation, outperforming baseline CNN by 7.4 percentage points.

Customer Shopping Trends - Full-Stack Analytics | Python, PostgreSQL, Power BI, Pandas, SQL

- Engineered end-to-end analytics solution: ingested and normalised retail data in PostgreSQL, authored SQL queries to compute KPIs including customer lifetime value, category revenue share, and seasonal demand, and built interactive Power BI dashboard with RFM segmentation and time-series trends.

Diwali Sales Analytics | Music Store SQL Analytics | Python, Pandas, Seaborn, PostgreSQL

- Conducted EDA and statistical segmentation on 10,000+ transaction records to surface top-revenue demographics and highest-selling products; authored advanced SQL queries (CTEs, subqueries, window functions) to analyse genre revenue, artist performance, and purchase frequency metrics.

SKILLS

Analysis Tools: SQL, PostgreSQL, Power BI Desktop, DAX, Python (Pandas, NumPy, Matplotlib, Seaborn), R, Excel

Machine Learning: Regression, Classification, Clustering, CNNs, Deep Learning, Transfer Learning, Ensemble Methods, Feature Engineering, Hyperparameter Tuning, Cross-Validation, Model Evaluation, A/B Testing, Time-Series Analysis

Data Engineering: ETL Pipelines, Data Cleaning, Data Wrangling, Data Validation, UAT Execution, Reporting Automation

Libraries & Frameworks: Scikit-learn, TensorFlow, Keras, Plotly, Seaborn, MongoDB, C++

Tools & Methods: Git, GitHub, JIRA, ServiceNow, Linux, Agile, SDLC, Requirements Elicitation, Stakeholder Communication

ACHIEVEMENTS AND AWARDS

- Ranked 99.57th Percentile in JEE Main 2019, Top 0.43% of 900,000 candidates; achieved All India Rank 6253 in JEE Advanced 2019.
- Awarded Gold Medal in International Mathematics Olympiad (IMO) and International Science Olympiad (ISO).
- Elected Vice President, Ashlesha Astronomy Club, VNIT Nagpur; scored 10.0 CGPA in Class 10 and 90% in Class 12.
